

✚ Brief description of goods

Swimming cap, consisting of knitted fabric, coated on one side with plastic visible to the naked eye.

✚ Classification

6505.00-910

✚ Reason for classification

A sports headgear is not classified as the articles and equipment for athletics in heading 95.06 according to the provisions of Note 1 (g) to Chapter 95.

The material of this swimming cap corresponds to the textile fabrics in heading 59.03 according to the provisions of Note 2 (a) to Chapter 59. Therefore, it is classified as stated above as headgear made of knitted fabric.

**Note:**

The nature of the goods to be the basis for customs duty assessment depends on the conditions at the time of the import declaration of the goods with some specific exceptions (Article 4 of the Customs Law).

This classification example describes general replies based on the certain condition and do not necessarily represent all cases. Therefore, the classification decision on your actual importation may be different from that described here according to its condition.

If you wish to have a reply about the tariff classification and duty rate of specific goods that will be respected at the examination of import declaration, please ask Customs for Advance Ruling in writing.
