Note: This table shows duty rates of typical commodities in which individual importers are highly interested.

Since duty rates and Chapter numbers may be significantly different by countries, materials of goods, extent of processing, and usage, this table may not necessarily be applied without modification. Please use this table only for reference purposes. Please contact the local Customs Appraiser for inquiries with regard to the tariff rate of the goods which you plan to import. Please refer to the Customs Answer Code No.1202 "Advance Ruling on Tariff Classification".

Please feel free to contact the nearest local Customs Counselor for any inquiries in regards to customs procedures. Please refer to the Customs Answer Code No. 9301 "Customs Counselor System" for contact numbers.
