

8007: Announcement of Successful Applicants for the Qualifying Examination for Registered Customs Specialists

In early November, the examination numbers of the successful applicants and the summary of the test results will be also made available at the website of the Japan Customs (<http://www.customs.go.jp>) . In late November, the names and the examination numbers of the successful applicants will be made available in the Official Gazette.

After the publication in the above Official Gazette, the test certificate will be sent to the successful applicants by the Regional Customs in charge of the examination site.
