

## 9008: For Overseas Tourists (Washington Convention)

- Before buying fur, ivory products, handbag, shoes ,etc as souvenirs

《Attention! Souvenirs from Abroad》

Shopping is fun when you travel abroad. But, please think for a while. There are so many things that you can not bring into Japan.

Some live animals and plants that you buy as a pet or for appreciation may in fact be subject to the Washington Convention.

《What is the Washington Convention?》

The Washington Convention is an agreement intended to protect endangered species of wild fauna and flora by regulating international trade in the wildlife. (182 countries and regions and E U are contracting parties to the Convention, as of April 2018)

《To Protect Wild Animals and Plants》

It is said that there are 5 million to 10 million species of animals and plants on earth. However, there are a great many species on the verge of extinction.

The very action of buying these animals and plants, processed products or pets as souvenirs is threatening their existence.
