

✚ Brief description of goods

Nylon raschel lace in a long form of a width not exceeding 30 cm, knitted using a raschel lace knitting machine is used for trimming of underwear.

✚ Classification

6003.30-010

✚ Reason for classification

Raschel lace is a knitted fabric by using a type of vertical knit stitching machine. The pattern is made by stitching a chain stitch and entwining the decorative yarn with the surface at the same time. Therefore, it is classified as stated above.

**Note:**

The nature of the goods to be the basis for customs duty assessment depends on the conditions at the time of the import declaration of the goods with some specific exceptions (Article 4 of the Customs Law).

This classification example describes general replies based on the certain condition and do not necessarily represent all cases. Therefore, the classification decision on your actual importation may be different from that described here according to its condition.

If you wish to have a reply about the tariff classification and duty rate of specific goods that will be respected at the examination of import declaration, please ask Customs for Advance Ruling in writing.
