

✚ **Brief description of goods**

Plain weave fabric of 100% wool, cut into a pentagon. It is intended to be used as an interlining cloth for a tie without requiring additional cutting.

✚ **Classification**

6217.90-000

✚ **Reason for classification**

The goods of plain weave fabric cut into a shape other than squares or rectangles corresponds to “made up” according to the provision of Note 7 (a) to Section XI.

The plain weave fabric described above is classified in heading 6217.90 as parts of clothing accessory.

**Note:**

The nature of the goods to be the basis for customs duty assessment depends on the conditions at the time of the import declaration of the goods with some specific exceptions (Article 4 of the Customs Law).

This classification example describes general replies based on the certain condition and do not necessarily represent all cases. Therefore, the classification decision on your actual importation may be different from that described here according to its condition.

If you wish to have a reply about the tariff classification and duty rate of specific goods that will be respected at the examination of import declaration, please ask Customs for Advance Ruling in writing.
