

# Flow of Customs Inspection

Receive “Appointment Card for Inspection” from customs officer

- ※ “Appointment Card for Inspection” is used to take out and transport the goods from the warehouse or the container yard etc. where the goods are stored

Please transport the goods from the warehouse or the container yard to the inspection location designated by customs

- ※ Please prepare a truck that can transport the inspection goods
- ※ Please arrange a trailer for full inspection of container cargo

Please witness at the Customs Inspection

- ※ Please be present during the Customs Inspection
- ※ Please prepare tools (pincer, hammer, cutter, packing tape, etc.) to unpack or pack the goods

After completing document reviews, inspections and paying taxes, you will obtain an import permit.

(Note) The above description is the general inspection process.
