

## **Examples of Required Documents when using a material of a non-Party of the ASEAN**

1. With respect to each good of Chapter 50 through 63 of the Harmonized System, in the case where a material of the other Party or a non-Party which is a member country of the ASEAN is used in the production of the good, an example of document to prove that the material is transported directly from the other Party or that non-Party is a copy of bills of lading or airway bills for transportation from the other Party or that non-Party to the exporting Party of the good.

2. With respect to each good of Chapter 50 through 63 of the Harmonized System, in the case where a material of the other Party or a non-Party which is a member country of the ASEAN is used in the production of the good and the material is transported through other non-Parties to the exporting Party of the good, the following are examples of document to prove that the material does not undergo operations other than unloading, reloading or any other operations to preserve it in good condition in those other non-Parties:

- a copy of through bills of lading or airway bills for transportation from that non-Party to the exporting Party of the good; and
- a format or handwritten declaration issued by the customs authorities of those other non-Parties for the material being transshipped or temporarily stored.
